## 'ARTURO ÁLVAREZ' YOUNG TALENT AWARD 2020

Lighting design and manufacturing company arturo alvarez is proud to announce our II arturo alvarez-Young Talent Award.

After nearly twenty-five years in the business, our aim is to highlight our commitment to supporting the new generation of creators, allowing your designs to be presented, together with your name, throughout the world with our brand's values and philosophy.

### OBJECTIVE

The challenge consists of designing a decorative interior lamp.

### PRIZE

The sole winner will receive a prize consisting of:

- €2500
- The possibility of seeing your design produced and forming a part of our new catalogue. Your name as the creator of the design will be included in all of the company's publications (including its catalogue, website, and leaflets), respecting the intellectual authorship of the design at all times.
- A trip to Milan with Arturo Álvarez to present the company's new designs at the "Fiera del Mobile Euroluca" in the spring of 2021. This includes a return air ticket, two nights' hotel accommodation, and a pass for the event.

### PARTICIPANTS

Any person over the age of 18 and below the age of 30 may take part.

Entries may be sent from any part of the world, regardless of your country of origin or nationality. We will be delighted to receive your designs, from wherever you are.

In order to take part, you will need to fill in the form on our website: <https://www.arturo-alvarez.com/contest/>.

Once you send the form, your details will be included in a database of participants, which we will use to keep you up to date with the latest news about the competition.

### REQUIREMENTS

All entries must meet the following requirements in order to be accepted:

- All of the manufacturing processes involved in the decorative part of the lamp must be designed to be created by hand.
- The size of the lampshade must not exceed the following measurements: 50 cm wide x 50 cm high x 50 cm deep.
- The lamp must be designed to operate with a conventional power source (E-27 / E-26), and LED equipment.
- Special consideration will be given to designs using materials that are as environment-friendly as possible.

### DEADLINES AND DATES

Deadline for the presentation of entries: from 21 November 2019 to 30 April 2020.

Publication of finalists on our website and social media: 15 May 2020

Publication of winner on our website and social media: 30 May 2020.

### PRESENTATION OF ENTRIES
